

Return to Work Coordinator (Part Time) Kinesiologist or Occupational Therapist

About Us

Empower Physiotherapy is a boutique, physiotherapist-owned clinic focused on one-to-one, evidence-informed care. Since opening in 2013, we've built a strong reputation in the community through quality care and meaningful relationships. Located in Steveston Village, our clinic is surrounded by trails, water, and an active community, making it a great place to live and work.

The Opportunity

We're looking for a Return to Work Coordinator to support our WorkSafeBC Hand Therapy Program in a part time capacity. This role offers flexibility and autonomy, with scheduling that can be shaped around your availability. It's ideal for someone who enjoys bridging clinical care with real-world job demands.

What This Role Looks Like

- Coordinating Graduated Return to Work (GRTW) plans
- Conducting on-site job visits to assess physical demands and barriers
- Communicating with employers, case managers, and our clinical team
- Supporting patients in progressing from treatment to work readiness
- Providing clear, practical recommendations for safe return to work

What You'll Love Here

- Flexible scheduling that supports balance and autonomy
- Collaborative team environment with mentorship available
- Variety in your day between clinic and community-based work
- Opportunity to build skills in occupational rehab and WSBC processes

What We Offer

- Competitive per-service compensation model aligned with WorkSafeBC funding
- Flexible, part-time structure that can complement other roles
- Mentorship and clinical support
- Established systems and admin support
- Positive, team-oriented culture

Who You Are

- Registered Kinesiologist or Occupational Therapist
- 1–2+ years of clinical or rehab experience preferred
- Strong communicator who can work with multiple stakeholders
- Comfortable working independently in community settings
- Organized, proactive, and solution-focused

Our Values

Integrity | Teamwork | Excellence | Positivity | Client-Centric Care
