

Empowering the community to achieve their best performance through life.

Seeking Registered Physiotherapist with IMS Certification

If you are passionate about physiotherapy and empowering others, come join our team! Steveston, voted Metro Vancouver's best neighbourhood, is a suburb of Richmond, BC, and is a wonderful and growing community for all ages and activity levels. The Fraser River is just steps from our clinic and is the perfect place to run, walk or cycle.

Who we are:

Empower Physiotherapy is the first one-to-one physiotherapy clinic and only hand therapy clinic in Richmond, setting the bar for others and has had continuous growth since opening in 2013. We are a team of passionate and knowledgeable professionals with over 130+ years of collective experience. Having a physiotherapist owner, our focus is quality healthcare and thus we are the preferred and trusted physiotherapy clinic in Richmond for physician and specialist referrals.

🎯 Our core values:

1. *Integrity:* We are honest and live by our values.
2. *Excellence:* We are committed to life-long learning to bring excellence in education, care and service.
3. *Positivity:* We strive to make a positive impact on the community in and out of the clinic.
4. *Client Centric:* We seek out individual stories so that treatments are meaningful.

What we have to offer you:

- A steady stream of referrals from well-established sources for rapid caseload building.
- Average of at least 5 new assessments per week.
- Highly competitive fee split.
- 90% private caseload (10% ICBC, no WSBC) with no double bookings.
- One-to-one services with 45 minute assessments and 30 minute+ subsequent appointments.
- Clean, large and private treatment rooms with an open gym space.
- Option for hourly (guaranteed income) for financial stability while building a caseload.
- Work with experienced clinicians with specialties in Hand Therapy, Vestibular Rehabilitation, and more.
- Team educational sessions.
- Paid stat, vacation and sick days.
- Health spending account.
- Education allowance.
- Electronic medical records with web-based charting, online booking and telehealth options (Janeapp).

- Full administrative support. Our fantastic Front Desk team excel in helping you and your patients.
- Supportive and friendly culture including social events.
- Individualized and clinic marketing.
- Opportunities for growth in the business.

We want you to succeed and attain fulfillment in work and life. We provide mentorship and collaboration in both clinical and caseload maintenance. Let's figure out what your goals are and work towards them together.

Who you are:

You have a minimum of two years of experience, want the most out of life and are passionate about sharing that with others. You value life-long learning and have some work/life experience under your belt. You are keen to grow your toolbox and continue life-long learning.

Why Empower? We asked our team:

"As a physiotherapist, Empower Physiotherapy has created a positive work environment that allows me to meet the needs of my client caseload. Our team has excellent synergy and open lines of communication, which enables me to feel confident and supported in my work." – Jennifer (PT, Empowered 3 years)

"I have really enjoyed working with the amazing team of physiotherapists and administrative staff at Empower Physiotherapy. The clinic is bright and modern and located in a great community with an active patient population. Communication throughout the clinic is very efficient and I feel well supported in my practice." -- Adam (PT, Empowered 4 years)
