

Empowering the community to achieve their best performance through life.

Experienced Registered Physiotherapist

Do you get joy from helping others?

Do you have the ability to empower patients through education and hands on skills?

Do you value 1 to 1 patient care and a collaborative team environment?

Do you strive for work-life balance as well as professional/personal growth?

If you answered “YES” to all of the above, we’d love to have you on our team!

Come join our team in Steveston, BC. Steveston, founded in the 1880s, is a suburb of Richmond in Metro Vancouver, voted Metro Vancouver’s best neighbourhood. The Fraser River walk just steps from our clinic is the perfect place to run, walk or cycle. Steveston is a wonderful and growing community for all ages and activity levels.

Empower Physiotherapy is proud to be the first and only one-to-one boutique clinic in Richmond and has had continuous growth since opening in 2013. We are a team of passionate and knowledgeable professionals who empower the community to keep moving through quality one to one treatment. Our clinic is the preferred and trusted physiotherapy clinic in Richmond, for physician and specialist referrals, has personalized mentorship, and opportunities for growth as a clinician or as a leader in the business.

What we have to offer you:

- A steady stream of referrals from established sources for rapid caseload building.
- One-to-one services with a minimum 30 minute appointment booking.
- Above average remuneration based on experience and loyalty (> \$100,000 a year).
- Full front desk support for all clinical hours. We manage all reception, appointments, invoicing and billing for you with POS and online payments.
- Clean, large and private treatment rooms with an open gym space.
- Education allowance.
- Electronic medical records with web-based charting, online booking and telehealth options (Janeapp).
- Supportive and friendly culture.
- Individual and clinic marketing.
- Opportunities for growth in the business.

We believe in supporting our team and community!

Whether you are a seasoned clinician or early in your career, we want you to succeed. We will provide mentorship in both clinical and caseload maintenance including everything from new skill development to building patient commitment. Let's figure out what your goals are and work towards them together.

Contact us if you share our company's core values:

1. **Integrity:** We are honest and live by our values.
2. **Excellence:** We are committed to life-long learning to bring excellence in education, care and service.
3. **Positivity:** We strive to make a positive impact on the community in and out of the clinic.
4. **Client Centric:** We seek out individual stories so that treatments are meaningful.
